Help IAD Save the Earth!

Greetings;

The Illinois Association of the Deaf (IAD) is taking up a unique project. You can help by donating any unwanted /broken cell phones, pagers, and inkjet cartridges!! There's nothing to buy. We are simply asking you to donate the items.

Your donation will help protect the environment! The unwanted / broken devices (cell phones, pagers, and inkjet cartridges) will be recycled in accordance with the U.S. Environmental Protection Agency (EPA) regulations or refurbished and sold. Also, depending on the value of the items you donate, your donation may be tax deductible. All of the proceeds from the items we collect will go to IAD's General Fund.

For Your Information:

- We're not asking you for cash donations.
- Donations of the unwanted / broken cell phones, pagers, and inkjet cartridges will support the IAD.
- You will be giving old technology new life and keep it from polluting our landfills.
- Did you know that cell phone and pager contain toxic materials such as arsenic, lead and zinc? By donating them to us, you will ensure that they are recycled or disposed of properly.

Please drop off the cell phones, pagers, and inkjet cartridges at your nearest IAD Chapter meeting or event. Please do not include accessories such as chargers and earpieces. They can be recycled locally. Check IAD's website for more information at www.iadeaf.org. Contact Sara Bianco, at sarabiancoriggio@aol.com, if you have any questions.

Thank you for your support!!

Sincerely,

Sara Bianco
